Oral gels. Oral sprays

Mouth sprays

Beauty COLLAGEN oral gel

Ingredients:

Collagen, purified water, sweetener: steviol glucosides, Vitamin C (L-ascorbic acid), Hyaluronic acid, acidity regulator: citric acid, humectant: glycerol, thickener: xanthan gum, preservative: potassium sorbate, passion fruit flavoring

Contributes to:

reducing wrinkles, improving skin elasticity, maintenance of nail health
 improving skin elasticity, reducing skin dryness, maintenance of normal hair
 maintenance of normal skin, normal collagen formation for the normal function of skin, the reduction of tiredness and fatigue

Sports magnesium oral gel

Ingredients:

Magnesium citrate, humectant: glycerol, purified water, vitamin B6 (pyridoxine hydrochloride), thickener: xanthan gum, acidity regulator: citric acid

Contributes to:

muscle function, protein synthesis, psychological function
maintenance of bones and teeth, functioning of the nervous system,
energy-yielding metabolism, reduction of tiredness and fatigue

C liposomal vitamin gel

Ingredients:

Purified water, Vitamin C (L-ascorbic acid), emulsifier: sunflower lecithin, acidity regulator: sodium bicarbonate, humectant: glycerol, sweetener: steviol glucosides, thickener: xanthan gum, preservative: potassium sorbate, antioxidant: D,L α tocopheryl acetate, natural lemon flavoring

Contributes to:

normal function of the immune system

reduction of tiredness and fatigue

normal collagen formation for the normal function of bones and the nervous system, protection of cells from oxidative stress

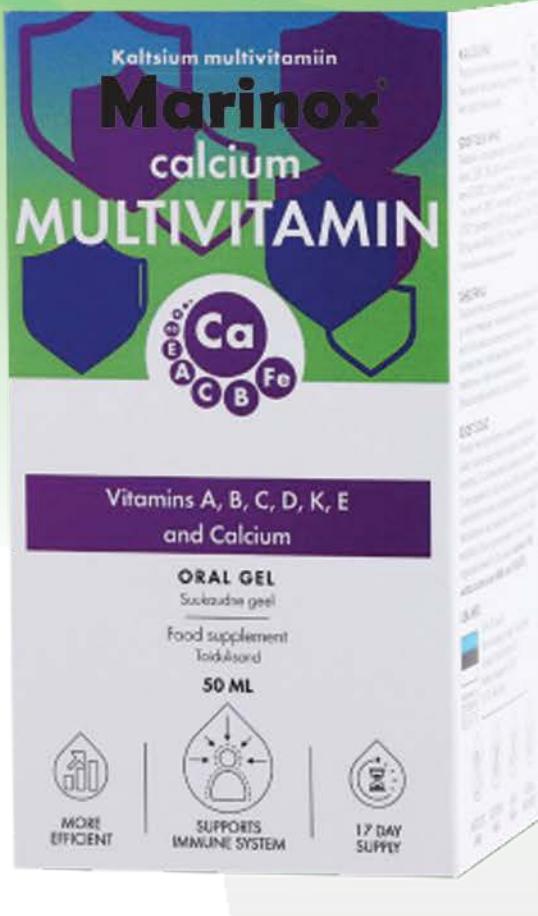

C+D liposomal vitamin gel

Ingredients:

Purified water, Vitamin C (L-ascorbic acid), emulsifier: sunflower lecithin, acidity regulator: sodium bicarbonate, humectant: glycerol, sweetener: steviol glucosides, vegan cholecalciferol (vegan vitamin D3), thickener: xanthan gum, preservative: potassium sorbate, antioxidant: D,L α tocopheryl acetate, natural lemon flavoring

Contributes to:

normal function of the immune system, normal teeth and bones, reduction of tiredness and fatigue, normal collagen formation for the normal function of skin, normal functioning of the nervous system, protection of cells from oxidative stress, maintenance of normal muscle function

Calcium MULTIVITAMIN oral gel

Ingredients:

Purified water, calcium carbonate, humectants: glycerol and xylitol, L-ascorbic acid, coconut oil, emulsifier: sunflower lecithin, nicotinamide, DL-alpha-to-copheryl-acetate, thickener: xanthan gum, D-pantothenate, calcium, Sorbus aucuparia(Mountain ash) extract, β carotene, riboflavin, 5-phosphate sodium, pyridoxine hydrochloride, thiamin hydrochloride, methylcobalamin, algali cholecalciferol, vitamin K2 MK7, calcium L methylfolate, D-biotin, peppermint essential oil (*Mentha arvensis*), sweet orange essential oil (*citrus sinensis*).

Contributes to:

normal functioning of the nervous system, the maintenance of normal bones and teeth reduction of tiredness, and fatigue

Omega probiotics oral gel

Ingredients:

Shea butter, coconut oil, algal omega oil, L. Plantarum TENSIA®, algal Vitamin D3, Vitamin E (DL-alpha-tocopheryl-acetate), natural forest fruit flavoring. contains Lactiplantibacillus plantarum TENSIA® under the license of BioCC

Contributes to:

the normal function of the heart

maintenance of normal brain function and normal vision

Maternal intake of DHA contributes to:

normal brain development of the fetus and breastfed infants.

normal development of the eye of the fetus and breastfed infants.

Vitamins A,B,C,D,K,E and Calcium for children oral gel

Ingredients:

Purified water, calcium carbonate, humectants: glycerol and xylitol, L-ascorbic acid, MCT coconut oil, emulsifier: sunflower lecithin, nicotinamide, DL-alpha-tocopheryl-acetate, thickener: xanthan gum, D-pantothenate, calcium, Sorbus aucuparia (Mountain ash) extract, β carotene, riboflavin 5-phosphate sodium, pyridoxine hydrochloride, thiamin hydrochloride, methylco-balamin, algal cholecalciferol, vitamin K2 MK7, calcium L methylfolate, D-biotin, natural raspberry flavoring.

Contributes to:

normal functioning of the nervous system, the maintenance of normal bones and teeth, reduction of tiredness and fatigue

Biotin oral spray

Ingredients:

Purified water, humectant: glycerol, sweetener: steviol glucosides, vitamin H (D-biotin), preservative: potassium sorbate, acidity regulator: citric acid, acidity regulator: sodium bicarbonate, natural lemon and menthol flavorings

Contributes to:

the maintenance of normal hair and normal skin and normal mucous membranes, normal macronutrient metabolism, normal energy-yielding metabolism, normal functioning of the nervous system

Iron oral spray

Ingredients:

Purified water, humectants: glycerol, xylitol, ferric sodium EDTA, ferric ammonium citrate, acidity regulator: citric acid, vitamin B6 (pyridoxine HCl), preservative: potassium sorbate, natural apple flavoring, vitamin B12

Contributes to:

normal formation of red blood cells, normal energy-yielding metabolism, reduction of tiredness and fatigue, normal function of the immune system, normal formation of haemoglobin, normal cognitive function, in the process of cell division, normal functioning of the nervous system, normal homocysteine metabolism

Vitamin B oral spray

Ingredients:

Purified water, humectants: glycerol, xylitol, ferric sodium EDTA, ferric ammonium citrate, acidity regulator: citric acid, vitamin B6 (pyridoxine HCl), preservative: potassium sorbate, natural apple flavoring, vitamin B12

Contributes to:

normal formation of red blood cells, normal energy-yielding metabolism, reduction of tiredness and fatigue, normal function of the immune system, normal formation of haemoglobin, normal cognitive function, in the process of cell division, normal functioning of the nervous system, normal homocysteine metabolism

Vitamin C oral spray

Ingredients:

Purified water, Vitamin C (L-ascorbic acid), humectant: glycerol, Acerola Cherry extract (Malpighia glabra), sweetener steviol glucosides, acidity regulator: sodium bicarbonate, preservative: potassium sorbate, thickener: xanthan gum, natural lemon flavoring

Contributes to:

normal function of the immune system, reduction of tiredness and fatigue, normal collagen formation for the normal function of bones, normal functioning of the nervous system, protection of cells from oxidative stress

Vitamin D3 4000 IU oral spray

Ingredients:

Purified water, sweetener: steviol glycosides, stabilizer: arabic gum, cholecalciferol (vitamin D3), acididy regulator: citric acid, preservative: potassium sorbate, emulsifier: sunflower lecithin, thickener: xanthan gum, natural lemon and menthol flavorings

Contributes to:

maintenance of normal bones and teeth
maintenance of normal muscle function
normal function of the immune system

hangOVER oral spray

Ingredients:

Purified water, sweetener: steviol glucosides, vitamin B3 (nicotinamide), vitamin B6 (pyridoxine hydrochloride), vitamin B1 (thiamin hydrochloride), vitamin B5 (D-pantothenate, calcium), vitamin B12 (methylcobalamin), vitamin B2 (Riboflavin 5-Phosphate Sodium), preservative: potassium sorbate, acidity regulator: citric acid, natural lemon and menthol flavorings

Contributes to:

to the reduction of tiredness and fatigue
to normal functioning of the nervous system
to normal energy-yielding metabolism

Vitamin B12 oral spray

Ingredients:

Purified water, sweetener: steviol glucosides, vitamin B12 (methylcobalamin), acidity regulator: citric acid, preservative: potassium sorbate, natural lemon and menthol flavorings

Contributes to:

supports psychological function and nervous system, helps red blood cell formation, more energy, less tiredness and fatigue, helps immune system

Beauty plus oral spray

Ingredients:

Purified water, humectant: glycerol, zinc gluconate, hyaluronic acid, vitamin H (D-biotin), sodium selenite, sweetener: steviol glucosides, Sorbus aucuparia (Mountain ash) extract, acidity regulators: sodium bicarbonate and citric acid, natural raspberry flavoring.

Contributes to:

the maintenance of normal hair, the maintenance of normal skin, the maintenance of normal nails, protection of cells from oxidative stress, the maintenance of normal hair, the maintenance of normal nails, protection of cells from oxidative stress

Sleep Hemp oral spray

Ingredients:

Purified water, thickener: glycerol, melatonin, hemp seed oil (*Cannabis sativa*), sweetener: steviol glycosides, stabilizer: arabic gum, acididy regulator: citric acid, thickener: xanthan gum, emulsifier: sunflower lecithin, antioxidant: D,L α tocopheryl acetate, peppermint essential oil (*Mentha arvensis*), sweet orange essential oil (*Citrus sinensis*).

Contributes to:

beautifies the skin from inside and out, is an anti-inflammatory agent, contributes to Cholesterol Level Lowering, the reduction of time taken to fall asleep the alleviation of subjective feelings of jet lag

Strong Immunity oral spray

Ingredients:

ElderCraft® European Black Elderberry Extract (*Sambucus nigra L.*), purified water, Vitamin C (L-ascorbic acid), humectants: glycerol and xylitol, zinc gluconate, acidity regulator: sodium bicarbonate, sweetener: steviol glucosides, preservative: potassium sorbate, natural lemon and menthol flavorings, thickener: xanthan gum.

Contributes to:

the normal function of the immune system
the protection of cells from oxidative stress
the maintenance of normal bones
normal macronutrient metabolism and a natural antioxidant

Strong Sleep oral spray

Ingredients:

Purified water, thickener: glycerol, melatonin, sweetener: steviol glycosides, stabilizer: arabic gum, acidity regulator: citric acid, thickener: xanthan gum, peppermint essential oil (*Mentha arvensis*), sweet orange essential oil (*Citrus sinensis*).

Contributes to:

reduction of time taken to fall asleep
alleviation of subjective feelings of jet lag

Vitamin D3+K2 oral spray

Ingredients:

Coconut oil, vegan algal Cholecalciferol (vitamin D3), Vitamin K2 (MK7), natural forest fruits flavoring.

Contributes to:

normal blood clotting, the maintenance of normal bone, normal function of the immune system, maintenance of normal bones and teeth, maintenance of normal muscle function, highly bioavailable formula

Relax mouth spray

Ingredients:

Purified water, GABA (gamma-aminobutyric acid), humectant: glycerol, humectant: xylitol, KSM-66 Ashwagandha extract (*Withania somnifera*), Vitamin B6 (pyridoxine HCl), thickener: xanthan gum, sweetener: steviol glucosides, acidity regulator: citric acid, preservative: potassium sorbate, natural lemon flavoring

Contributes to:

normal functioning of the nervous system, normal energy-yielding metabolism, the reduction of tiredness and fatigue, to support relaxation, to support mental and physical wellbeing

CBD RELAX Mouth spray

Ingredients:

Coconut MCT oil (caprylic/capric triglycerides), Full spectrum CBD, Natural forest fruits flavoring (aroma).

Contributes to:

anti anxiety, full spectrum, mental health, 100% natural composition, tooth-kind formula (sugar-free), airless bottle

Immunity for children oral spray

Ingredients:

ElderCraft® European Black Elderberry Extract (Sambucus nigra L.), purified water, Vitamin C (L-ascorbic acid), humectants: glycerol and xylitol, zinc gluconate, acidity regulator: sodium bicarbonate, sweetener: steviol glucosides, preservative: potassium sorbate, sweet orange essential oil (citrus sinensis), thickener: xanthan gum.

Contributes to:

the normal function of the immune system
the protection of cells from oxidative stress
the maintenance of normal bones
normal macronutrient metabolism and a natural antioxidant

Vitamin D3 for babies oral spray

Ingredients:

Coconut oil, cholecalciferol (vitamin D3).
lactose, gluten and GMO free
NO added preservatives, colors or flavorings

Contributes to:

normal growth and development of bone in children
the normal function of the immune system in children
highly bioavailable formula, tooth-kind formula (sugar-free)
long-lasting, airless bottle

Iron for children oral spray

Ingredients:

Purified water, humectants: glycerol, xylitol, ferric sodium EDTA, ferric ammonium citrate, acidity regulator: citric acid, vitamin B6 (pyridoxine HCl), preservative: potassium sorbate, sweet orange essential oil (citrus sinensis), thickener: xanthan gum, natural raspberry flavoring, vitamin B12 (methylcobalamin).

Contributes to:

normal formation of red blood cells, normal energy-yielding metabolism reduction of tiredness and fatigue, normal function of the immune system, normal cognitive development of children, normal formation of hemoglobin in the process of cell division, Absorbs directly into the bloodstream, with no digestive discomfort!
